Oh it's just another day,
It's just another day on Earth

Oh it's just another day,
Just another day,
It's just another day on Earth

Oh it's just another day on Earth
It's just another day on Earth

One day, we will put it all behind,
We'll say, that was just another time,
We'll say, that was just another day on Earth

We'll say, that was just another time,
One day, we will put it all behind,
We'll say, that was just another day on Earth

Just another day,
It's just another day,
Oh it's just another day on Earth

It's just another day on Earth
