Oh, yeah, yeah

I've looked for love in so many places
Trying to find out where I belong
Wandering through this barren land of longing
Looking for the place called home, a place called home

You said, "Come to me all you who are so weary
And you will find true rest for your souls?"
Lord, let these words of life speak into my heart
Anywhere I am I can be home

You are my home, You're my true home
I am safe inside the shelter of Your love
You are my home, You're my true home
I am free to be a child once again

Oh, I'm free in You

You are my one true destination
The place I eternally belong
You made me from the earth and then You breathed
into me life
Redeemed me from my sin and brought me home

You are my home, You're my true home
I am safe inside the shelter of Your love
You are my home, You're my true home
I am free to be a child once again

My heart is restless, till it rests in You
My heart is restless, till it rests in You
Until I dwell in You
Until I find my home in You

Until I find my home in You, yeah
I belong to You
You are my home, true home

You are my home, You are my shelter
You are my home, yeah, yeah, yeah, yeah
You are my home, You are my shelter

You are my home

Bring me home
