You should blame yourself,  
You and no one else  
You can say you're not,  
But you were guilty as well

Instead of making sense,  
Talking like we're friends  
You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names,  
Calling, calling me names

The nights you talk about,  
I always forget  
Something I did or something I should not have said  
When I think we're good,  
It happens again  
You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names  
Calling, calling me names

You should blame yourself  
You and no one else  
You can say you're not,  
But you were guilty as well  
Instead of making sense,

Talking like we're friends  
You think it's a better idea

Calling, calling  
Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names  
Calling, calling

Calling me names  
Don't think it's gonna change me  
Calling me names  
Calling, calling  
Calling me names  
Don't think it's ever gonna change me  
Calling me names,  
Calling, calling me names
