I met him at the candy store
Turned around and smiled at me
Get the picture
That's when i fell for
Leader of the pack

My folks are always putting me down
They say i came from the wrong side of town
They told me he was bad
But i know he was sad
That's why i fell for
Leader of the pack

Well the day my dad told me to find someone new
I had to tell my johnny we're through
He stood there and asked me why
But all i could do was cry
I'm sorry i hurt you
Leader of the pack

He sort of smiled
Kissed me goodbye
And tears were beginning to show
As he drove away
I ran and i begged him to go slow
Would he hear me
I'll never know

I felt so helpless
What could i do
Rememberin all the things we been through
At school they all stop and stare
I can't hide the tears but i don't care
I'll never forget him
Leader of the pack

Leader of the pack
Now he's all gone
