One day i woke up i woke up knowing to day is the day i
will die
cashdog was barking went to the park and enjoyed it
one last time.
i called my mother, told her i loved her and i begged
her not to cry
wrote a letter that sayd id miss her
And i signed that good-bye.

You know the happiest day of my life
I swear also the happiest day of my life
Is the day that i died.

Can you feel the cold tonight
It sets in but its alright
Darkness falls im letting go
all alone but i feel fine

He took a drive he drove through D.C
To see the places we lived
Long conversations we talked of old friends and all the
things we did

Summer Nights,
drunken fights
Mistakes we made, did we live it right?

You know the happiest day of my life
I swear also the happiest day of my life
Is the day that i die

Can you feel the cold tonight
It sets in but its alright
Darkness falls im letting go
all alone but i feel fine

You know the happiest day of my
I know the happiest day of my life
I swear also the happiest day of my life,
Is the day that i died

Can you feel the cold tonight?

It sets in but its alright
Darkness falls im letting go
all alone but i feel fine

Did i live it right?
I hope i lived it right
