I met him at the candy store
Turned around and smiled at me
Get the picture that's when I fell for
Leader of the pack

My folks are always putting me down
They say I came from the wrong side of town
They told me he was bad but I know he was sad
That's why I fell for leader of the pack

One day my dad told me to find someone new
I had to tell my Jimmy we're through
He stood there and asked me why
But all I could do was cry, "I'm sorry, I hurt you"
Leader of the pack

He sort of smiled, kissed me goodbye
And tears were beginning to show
As he drove away on that rainy night
I begged him to go slow
But whether he heard me I'll never know

I felt so helpless what could I do
Rememberin' all the things we've been through
At school they all stop and stare
I can't hide the tears but I don't care
I'll never forget him, leader of the pack

Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
Leader of the pack, now he's all gone

Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
Leader of the pack, now he's all gone
