

Good Riddance

"The Sky Is Falling"

Visit "[The Sky Is Falling](#)" on MotoLyrics.com

the sky is falling
today is the day the weak will be slain
see carrion swarm towards human landfills
a final resting place
for the enemies of the state
their truth is a lie
with break neck speed
and sterile affection
we swallow a culture
being spoon fed to us
like dutiful sheep
being led to the slaughter
we awaken infected
in the land of the free
and the home of the brave
