I'm a talented artist but my hearts not in it  
I'm a good shag but I find nobody fit

And it's all  
And it's all

I play in a band but I've got no talent and  
I spit and I drool but I just don't change a thing

And it's all  
It's all in my head all my hopes and my fears  
And I lay it all out all for you all to see and its  
All in my head

I work 9-5 but I want to be free  
I watch the tv but I want to be an inspiration  
To you all  
I write it all down but nobody reads  
You never will and its so obscene

And it's all  
It's all  
And it's all in my head all my hopes and my fears  
And I've laid it all out all for you all to see and its  
All in my head
