Hey babe  
I saw you there  
on the dancefloor  
I see you break a sweat  
I guess you get  
what you pay for  
you got it goin on  
I see you workin it too  
you lookin like you need it  
whatcha want me to do

it's just that feelin  
hell yeah  
it's all about the timing when you walk  
I heard you're poison  
but I don't care  
I'll build my own disaster

drop down, turn around, puttin me down  
let's see who can scream the loudest  
take a swing at me as hard as ya can  
knock me down, take me out, that's the plan

it's just that feelin  
hell yeah  
it's all about the timing when you walk  
I heard you're poison  
but I don't care  
I'll build my own disaster

let me take ya to school  
I'll show ya the rules  
shimmy shimmy, drop down, baby give it a whirl  
you've got the looks  
do what you do  
let's make our own disaster

oooooh ooooooh ooooooh
