Just look at the way you glow,
all dolled up but you got nowhere to go
looking at you,
i just see your coming down
so take it off,
and your too comfortable now.

(chorus)
but if you take it from
you weren't always so easy
i know your having fun but thats referred to as sleazy
take it from me(x3)

you think your lonely now
you wanna die, and i can show you how
(well this is the perfect time)
called you up and spit you out girl
you wont feel a thing
come on and give it a whirl

but if you take it from me
you weren't always so easy,
i know your having fun but thats referred to as sleazy
take it from me

i see you work it first hand
live life love, but this is not what you planned
take it from me(x3)

give up bitch your losing it
but you'll learn to get it right yeah
your looking at me,
but he's into your baby,
oh your sure gonna get it tonight(x2)
give up bitch your losing it

but if you take it from
you weren't always so easy
i know your having fun but thats referred to as sleazy
take it from me(x3)
you weren't always so easy,
i know your having fun but thats referred to as sleazy

take it from me
i see you work it first hand
live life love, but this is not what you planned
take it from me(x3)
