I feel so right for the first time.
Pacific state of mind now watch me shine
I'm on top of the world don't bring me back to life.
Everything is better from up here.
I'm feeling systematic yet so clear.
Wont you join me in a cheer for state of
Mind?

I'm on my way
I haven't a care in the world and I'm fine
Out of sight out of mind
I'm leaving here for awhile.

Thought I had it all I cannot lie
Blank stares and empty lines
Now it's time I showed you how to say goodbye

I'm on my way
I haven't a care in the world and I'm fine
Out of sight out of mind
I'm leaving here for awhile.
So take me up
I feel for the moment up to the challenge
I will not break I will not move
Lets start a new life

I've come to accept that it's over
Now I'm on my way
You'll understand when you're older
I've come to accept that it's over
Now I'm on my way
You'll understand

I'm on my way
I haven't a care in the world and I'm fine
Out of sight out of mind
I'm leaving here for awhile.
So take me up
I feel for the moment I'm up to the challenge
I will not break I will not move
Lets start a new life

I'm on my way
I haven't a care in the world and I'm fine
Out of sight out of mind
I'm leaving here for awhile.
So take me up
I feel for the moment I'm up to the challenge
I will not break I will not move
Lets start a new life

I will not break I will not move [x3]
