

Goodbye Satellite "Because You Know"

Visit "[Because You Know](#)" on MotoLyrics.com

Because you know and I don't care
because your friends left you alone again
Because you know and I don't take that
because your friends left you alone again

Because you're calling now and... need some
assistance

Walking away you started to cry
I was watching the world
it was great through your eyes
I don't have really much to say
but I'm desperate

Redesign my ways to hurt your feelings, my ideals
I was worried you would never understand
I know why...
