Talkin' funny and lookin' funny  
And talkin' 'bout 'Nobody Loves Me'  
You make yourself look bad

Help me somebody

You need to take a good look at yourself  
And see if you're the kind of person  
That God wants you to be  
It's no big thing, it's a small thing  
What people think

Help me somebody

There's no escape from Him  
He's so high you can't get over Him  
He's so low you can't get under Him  
He's so wide you can't get around Him

If you make your bed in Heaven He's there  
If you make your bed in Hell, He's there  
He's everywhere

Help me somebody, help me somebody
