In the beginning you really loved me  
But I was blind and I could not see  
But when you left me, oh, how I cried  
You don't miss your water, till your well runs dry

I was a playboy, I could not be true  
I couldn't believe that I really loved you  
But when you left me, oh, how I cried  
You don't miss your water, till your well runs dry

In the beginning you really loved me  
But I was blind and I could not see  
But when you left me, oh, how I cried  
You don't miss your water, till your well runs dry  
You don't miss your water, till your well runs dry
