It's Tragedy Khadafi - reppin' wit my nigga Green  
Lantern -  
all y'all coward ass niggas  
put some grease on your motherfuckin' feet and slide,  
nigga!  
Yo -

What it be like?  
Niggas want to face-fight, I stay tight, stay right  
Get your wig split  
Shit that I spit - most accurate  
Lex right in back of it  
Range on the side of it  
Dough, I'm trying to get a lot of it  
I rock that exotic shit  
Plus spit the hottest shit  
Blow trial? Might get the same time Gigante get  
Death before dishonor shit  
Gangsta persona shit  
2-5, Murder Inc. niggas - who I holla wit  
When I wanna score, Green Lantern's who I polly wit  
Your 'hood to my projects  
Exchange objects  
Your guns for my techs  
Your Range for my Lex'  
From Q.B. to upstate - we control set  
I stay splurgin' - head stay wrapped in turban  
Game tight like a virgin - Ford Excursion  
Nigga how you figure that we don't be reppin'?  
Wholesale drugs and weapons in a Dodge Intrepid  
What a thug about?  
Y'all niggas gettin' slugged out  
In the back seat  
Showin' the Beast the drug house  
I'll cut your tongue out  
Mail it to your spouse  
If I get knocked, the bail money's under the house  
To my thugs in the Dirty South - tear the club up  
Masked and gloved up(What we gonna do Trag?)  
We gettin' fucked up  
For the blood 'fetti

Hoes and drug 'fetti  
Jump it off, ready for war - we slug ready  
Coward ass niggas eat a dick and die slow  
And for the record - I love my hoes(Y'all niggas ain't  
ready)  
I respect when you strap packs under your clothes  
Chains stay froze - lock and load  
Get your money up, shorty - it's the life you chose  
What you know about the princess cut - the icicles?  
Lick you 'til your knees get weak and feel crippled  
Blood over money - nothing come between my family  
Embrace what you give and take what you don't hand  
me  
It's gangsta - 2-5 shit - fuck a Grammy  
Nigga  
Green Lantern in your area - 25 to Life
