

Goodnight Nurse "All For You"

(Feat. Kimbra Johnson)

Look at me
Look at you
Make my day
I hope you
Think of me
When I'm away

[Pre Chorus:]
Lightning strikes at my soul
I breathe in deep breaths of hope
And wake up from my quiet dream
To see you so perfectly

[Chorus:]
And it's all
And it's all for you
And it's all
And it's all for you

My day shines
Thoughts of you
Brightly glow
Take me out
Drunk on you
Take me home

[Pre Chorus]

[Chorus]

Run away run away run away run with me [x4]

Take my hand and we'll make it through
I'll face my fears just to see you

Lightning strikes at my soul
I breathe in deep breaths of hope
And I wake up from my quiet dream

To see you...

[Chorus]
