Midnight and I'm dancing with the devil  
She whispers thoughts of pure evil  
I see a vision of an angel  
Gun shot and my heart goes-

Jumstart my heart  
Burn on  
Through the dark  
Poison in my blood  
I will come undone

Midnight and I'm dancing with the devil  
She whispers thoughts of pure evil  
I see a vision of an angel  
Gun shot pull the trigger and my heart goes  
(I THINK I LOVER HER SO)

Oh (YEAH)  
Disco  
You make my body go oh  
(YEAH) Baby  
Look what you do to me

Give up the fight  
And kiss me goodnight  
Then let this disease  
take hold of me

My heart is dead  
I lift up my head  
It seems I have bled  
All that I have left  
Midnight and I'm dancing with the devil  
She whispers thoughts of pure evil  
I see a vision of an angel  
Gun shot pull the trigger and my heart goes  
(I THINK I LOVER HER SO)

Oh (YEAH)  
Disco  
You make my body go oh  
(YEAH) Baby

Look what you do to me

One more, one more  
She softly speaks to me  
One more, one more  
This nightmare helps me breathe ((x2))

I see a vision of an angel  
Gun shot and my heart goes

Oh (YEAH)  
Disco  
You make my body go oh  
(YEAH) Baby ((x2))  
Look what you do to me

Midnight and I'm dancing with the devil  
She whispers thoughts of pure evil  
I see a vision of an angel  
Gun shot and my heart goes- ((x2))
