What the hell is going on?  
Somethings wrong with this picture  
And I'm thinking it might be you  
When we started off it was all ok  
But slowly I started to notice  
What you say isn't always true

Why did I go and waste my time  
With a girl who was not all mine  
Guess i hoped that we'd come through  
Coz I like the idea of you

[Chorus:]

I'm going away  
Didn't you see this coming  
Now, you want me to stay  
But I know you've been running round  
What else can I say?  
Shouldn't have stayed in the first place  
Now I'm going away  
We never had much fun anyway

What's a nice guy supposed to do?  
Don't bother trying to deny it  
I think you've lied quite enough already  
So this chump is up and moving on  
I've wised up and now your times up  
Cos the last thing I need is you  
So watcha gonna do

There is one thing I'd like to know  
What's it like being such a ho!  
What are they gonna think of you  
When there's no one you haven't screwed

[Chorus]

I guess this is goodbye  
Don't say I didn't try

[Chorus]
