A picture frame  
Hangs on a wall  
An I'm surprised I even noticed it at all  
The years have warped the frame  
A crack runs through the pain  
And it's begun to fade  
But the pictures still the same  
If you look close enough you'll know

[Chorus:]  
Sing me your song  
I'll sing my song  
You had to go  
You know you're my hero  
Time keeps marching on  
This is our song

So now I stare  
At an empty room  
But memories give my soul a different view  
Of all the live you've touched  
You taught me so much  
Now angels lift you up  
To a place you loved so much  
And you'll be welcome there I know

[Chorus]

This is a sad goodbye  
But it's not a bad goodbye

Well I don't know  
What I believe  
All I know is that there's more to it than me  
Its time for you to go  
To say goodbye I know  
I cross my T's real slow  
And close my eyes  
If you look close enough you'll know

[Chorus]

This is a sad goodbye  
But it's not a bad goodbye  
This is a sad goodbye  
But it's not a bad goodbye
