

Goodnight Nurse "Same Old Story"

All eyes on me,
At the party,
Dressed up,
Suddenly,
I think I'm cool,

Didn't realize,
Through my glazed eyes,
That all these guys think I'm a fool,

Something tells me,
I've crossed the line,
I wish I had seen all the signs,

I don't know what I was thinking,
Can you tell that I've been drinking?
Now I'm stuck with saying sorry,
Next weekend the same old story,
Same old story,

Talk to girls and,
Get the back hand,
Ego crashed,
I've struck out again,

Stumbling so bad,
Slurring vocab,
Call me a cab,
I've got no friends,

Something tells me,
I've crossed the line,
I wish I had seen all the signs,

I don't know what I was thinking,
Can you tell that I've been drinking?
Now I'm stuck with saying sorry,
Next weekend the same old story,
Same old story,

Something tells me,
I've crossed the line,

I wish I had seen all the signs,

I don't know what I was thinking,
Can you tell that I've been drinking?
Now I'm stuck with saying sorry,
Next weekend the same old story,
Same old story
