There's a rattle at the window, whoa
A too familiar sound that I know
She's back and she's ready to go
Ready to take me back down below

Everybody in the whole town knows
She lives with a heart so cold
But I'll stay, I'll stay
I'll stay, I'll stay

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

Oh oh, whoa-oh

There's a rattle at the window, whoa
A too familiar sound that I know
She's back and she's ready to go
Ready to take me back down below

Everybody in the whole town knows (whole town knows)
She lives with a heart so cold (heart so cold)
But I'll stay, I'll stay
I'll stay, I'll stay

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

Oh oh, whoa-oh
Whoa-oh, whoa-oh oh

I feel the sickness grow inside me
Blacked out disguise so she won't find me
I feel the sickness grow inside me
She can't blind me
Take my life!

Oh, no! She's ready to go!
Oh, no! She's ready to go!

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

And if I hear her calling
I fear that I am falling
Now they all try to warn me
Oh no! She's ready to go!

Whoa-oh, whoa-oh oh
Whoa-oh, whoa-oh oh
Whoa-oh, whoa-oh oh
Whoa-oh, whoa-oh oh
