

## Goodnight Nurse "Taking Over"

Visit "[Taking Over](#)" on [MotoLyrics.com](http://MotoLyrics.com)

We've lost our minds  
And it was really just a  
Matter of time  
We're not that well adjusted

We didn't know  
And we don't care  
All we wanna do

Is tear it down tonight  
The time has come  
We've got no more excuses  
We may be dumb  
That doesn't mean we're useless  
So listen up  
Its going down

Gonna lose control  
And take control tonight

[Chorus:]  
We don't know how to say it  
Explain it or contain it  
But we know how to shout it  
(SHOUT IT!)  
And we all wanna  
There's no use in complaining  
Cos you know that we're staying  
(WE'RE STAYING!)  
We're taking over now

The kids are sick  
Of being pushed around and  
Of being stripped  
Of all their confidence now  
We're standing up  
Not backing down  
When we lose control  
We'll take control tonight

[Chorus]

We've lost our minds  
And it was really just a  
Matter of time  
We're not that well adjusted

So listen up  
Its going down

Gonna lose control  
And take control tonight

[Chorus]
