Blowing dirt off the footpath

Leading by example is passed

Like the rest of it

Ahhh

Speeding up but slowing down

More

The less the better

But not I

Broken make up here

The weight on your shoulders isn't mine

Like the rest of it

Ahhh

Speeding up but slowing down

More

The less the better

But not I

Like the rest of it

Ahhh

Speeding up but slowing down

More

The less the better

But not I
