Can you hear me? whisper in your ear  
Can you feel me? moving my hands up to your face  
Where I can touch your cheeks so sweet  
And dream about the future, as I close in on your lips  
The sweetness of the kiss  
Its enough to bring me back to save the day  
Why don't we say good-bye to the past 3 years  
Of my life  
Why don't we say good-bye to the past 3 years  
Angel in disguise

Can you hear me? as we talk about tea  
Can you feel me? as I bring you closer to me  
So you can feel my heart beat in your chest  
We dream about the future  
As I close in on your lips  
The sweetenss of this kiss  
Its enough to brings us back to save the day  
Why don't we say good-bye to the past 3 years  
Of my life  
Why don't we say good-bye to the past 3 years  
Angel in disguise

And if I ever felt I'd do this all over  
(you bet your heart shape around me)  
Touching your lips to mine.  
Its enough to bring me back  
Why don't we say good-bye to the past 3 years  
Of my life  
Why don't we say good-bye to the past 3 years  
Angel in disguise  
Why don't we say good-bye (good-bye) to the past 3  
years  
Of my life  
Why don't we say good-bye (good-bye) to the past 3  
years  
Angel in disguise
