Give me a reason to cool you down
an explanation
I'm gonna lift you to upper ground
a great location
I try to hit it hard
Give me a reason
This ain't no heart-attack
no moderation

Give me a reason to cool you down
an explanation
I'm gonna lift you to upper ground
a great location
I'm gonna beat you to the ground
no conversation
Give me a reason to cool you down

I try to hit it hard (?)
Give me a reason (?)
This ain't no heart-attack (you living hard)
No moderation (tear us apart)
