I can't lose anything  
so what's left is mine  
and I win this time

consolation day  
i'll make up a way  
i'll know now just what to say

i'll get away from you  
wait and I'll be begging  
i'll pull you down

i saw it all again  
fading memory became clear to me  
i try but I can't say  
that I'm yours for good  
support me you said you would

i'll get away from you  
wait and I'll be begging  
i'll pull you down

awake and dreaming  
I'm only sleeping
