Translation

The moon does not
Shine here anymore
Snow fell on our sun
No word from those who left
We grew unaccustomed to forbidden love
War, a familiar trap for us
When we're covered up in
Raven black nights

Make your choice now
Make your choice now
Neither song, nor the moonlight
Neither life or death
Nor my youthful days
All in pieces
All in pieces
All in pieces
All in pieces
I'm left with a one-shot hope
