Bahar oldu aman
Al kese astÄ½m gÄ¼l dalÄ½na
AdadÄ½m yarin adÄ½na
Ä¼ki gÄ¼z oda

Da° yeÄ¼il, dallar yeÄ¼il
UyandÄ½lar bayrama
Her gÄ¼nÄ¼l Ä¼en
Bir benim bahtÄ½m kara

Kokuyor buram buram
Fulyalar vakit tamam
Bir bana u°ramadÄ½
Bu bahar bayram

A°lama hÄ½drellez
A°lama be bana
AcÄ½ ektim yerine
Sevda yeÄ¼erecek
BaÄ¼ka bahara

Ne yolu var ne izi
TanÄ½dÄ½k de°il yÄ¼zÄ¼
Dilerim Allah'tan
Ä¼k sÄ¼zÄ¼n Ä¼zÄ¼

SevdiÄ°im yok, eÄ¼im yok
A°ardÄ½ bir gÄ¼n daha
Ey benim Ä¼ans yÄ½ldÄ½zÄ½m
GÄ¼lÄ¼mse bana

A°lama hÄ½drellez
A°lama be bana
AcÄ½ ektim yerine
Sevda yeÄ¼erecek
BaÄ¼ka bahara

Translation

The spring is here
I tied a red pouch to rose bow

I wish in the name of my loved one
Two rooms for us

Green are the mountains, green are the bows
Rejoicing the spring rite
Every soul is merry
Only my fortune is dark

A cloud of aroma
Daffodils are in bloom
It has passed me by
This spring feast

Don't cry Ederlezi
Don't cry for me
I sowed the sorrow
We'll reap love
We'll have another spring

Not a track not a trail
Not a familiar face
I pray to God above
The word is love, love is essential

With no one dear beside me
Another day is over again
Oh, hear me my fortune star
And please smile to me

Don't cry Ederlezi
Don't cry for me
I sowed the sorrow
We'll reap love
We'll have another spring
