Translation

Lord, nobody's counting the shots
Nobody's holding back the blows

Let's go down to gibbering right away
Don't worry, we'll dig each other anyway
Let's start bluster-blaster, since nobody's around
See man, a brand new Kalashnikov

Let's make a killing man it's a real bargain price
I'm the ace-man, you're the king, let's stick to our
scheme

No hocus-pocus here, it's just a man made
Or woman made, thick as appropriate

Welcome to the market
Watch for the evil-eye

Come on it's just a warm-up
A bit of commotion is all we need
Plot-counter-plot and you're lost
See man, a brand new Kalashnikov

Let's make a killing man it's a real bargain price
I'm the ace-man, you're the king, let's stick to our
scheme

Hit him on the head, just hit him
Pick up the hammer and nail it in, nail it in

Lord, nobody's counting the shots

Don't worry, we'll dig each other anyway
