Sometimes a guy needs  
Someone he can talk to  
A good friend he can lean on  
When he's feelin' down

Someone he can argue with  
But still get along  
Someone he can hang out with  
Till the break of dawn

She's my drinkin' buddy  
She's got tight blue jeans  
Long blond hair  
And she's a cowboy's dream

She can knock em back  
Shot for shot  
Like you've never seen

What's even better  
Is a little bit a later  
I might just get lucky  
With my drinkin' buddy

Well there ain't nothing wrong  
With those other kinds of ladies  
That sit there with their champagne  
Talkin' girly stuff

Well my girl's just as likely  
To buy a round or three  
Tell a down right dirty joke  
Sweet as she can be

She's my drinkin' buddy  
She's got tight blue jeans  
Long blond hair  
And she's a cowboy's dream

She can knock em back  
Shot for shot

Like you've never seen

What's even better  
Is a little bit a later  
I might just get lucky  
With my drinkin' buddy

Along about mid night  
Feeling right  
She'll bat those eyes at me  
Plant a big one on my lips  
And I'll know it's time to leave

With my drinkin' buddy  
She's got tight blue jeans, uh huh,  
Long blond hair  
And she's a cowboy's dream

She can knock em back  
Shot for shot  
Like you've never seen

What's even better  
Is a little bit a later  
I might just get lucky  
With my drinkin' buddy

She's got tight blue jeans, uh huh,  
Long blond hair  
And she's a cowboy's dream

She can knock em back  
Shot for shot  
Like you've never seen

What's even better  
Is a little bit a later  
I might just get lucky  
With my drinkin' buddy

What's even better  
Is a little bit a later  
I might just get lucky  
With my drinkin' buddy
