The most disturbing sight I've witnessed  
Was George Clinton fucking a gutter whore  
She was just nine years old  
Didn't seem to bother him much!

At the time George was influenced by alcohol  
A bottle of Jack, and a beer hat  
The only way to get laid, was to use pay his way for  
pussy!

His search set off in an alleyway  
He came across a crack whore youngster  
Looking for good fuckin' time

He took her behind a dumpster, and could not waste  
any time  
She was a stupid asshole and charged a dollar fine  
This bitch was undeveloped, and she was loose as hell  
Her smell made George disgusted but she could never  
tell

-We've got the funk-  
He screamed when he bent her over  
His dreadlocks swaying to the rhythm  
-We've got the funk-  
He sprayed his load on the dirty whore  
Then pulled it out and pushed her down

If the media got word of this.  
Then George's name would be ruined  
He grabbed the closest object  
A used heroine needle from the dumpster...

George grabbed the bitch.  
Then threw her to the ground and screamed  
Get ready to suffer!  
He took the needle and stabbed her repeatedly  
Til' the body was unrecognizable!

Jorge Clinton!
