I guess we said it all when we said goodbye
Everything that needed saying?we must have said it
then

I wondered what I'd do if our paths ever crossed
Last night it happened--there you were again
I didn't know what to say
So...

Chorus

I said nothing
I just stood there for awhile
No words came into my mind
I was tongue-tied as I watched you walk away
So I said nothing

I hope we find that place where everything's OK
Might take a little while but it's the best for you and me
First step to moving on is learning to forgive
Second step is letting go?that's how it ought to be
I guess I ain't there yet
Cause...

Chorus

Bridge

Better than something I know that I'll regret
Some things are better left unsaid
So...
