Is it friday yet  
Is the weekend here  
Is it time for me to kick things off with a ice cold beer  
Been working so dang hard  
That I forget  
Is it Friday yet

8 o'clock Monday morning all I think about is when the  
day will end  
Got to make a living some how  
That's the way it is for me and all my friends  
Watch the hours pass  
Every day I ask

Is it Friday yet  
Is the weekend here  
Is it time for me to kick things off with a ice cold beer  
Been working so dang hard  
That I forget  
Is it Friday yet

That boss of mine he drives me crazy  
Maybe he's just thinking 'bout the weekend too  
He'd probably love to be invited  
Hangout with our rowdy crowd and act a fool  
When we're off the clock  
We'll pop a top

Is it Friday yet  
Is the weekend here  
Is it time for me to kick things off with a ice cold beer  
Been working so dang hard  
That I forget  
Is it Friday yet

The days go slow and I would like to know

Is it Friday yet  
Is the weekend here  
Is it time for me to kick things off with a ice cold beer  
Been working so dang hard

That I forget  
Is it Friday yet

Is the weekend here  
Is it time for me to kick things off with a ice cold beer  
Been working so dang hard  
That I forget  
Is it Friday yet

Been working so dang hard that I forget  
Is it Friday yet
