We really don't have it that bad though We know some
people do,
We catch ourselves complaining Sometimes,
Feeling down and blue,
What do we have to complain about When we look
around us and see,
A roof over our heads, a shirt on our Backs and some
jingle in our jeans

Life, is good,
Even when things aren't goin quite the Way we know
they should,
Knock, on wood,
Life is good!

Their might be a stack of bills to pay Sittin' on our
kitchen table,
But we'll get around to them one by one As long as we
are able,
Speakin' of that,
Hey!,
We've been blessed,
Each and everyday,
And I hope it takes forever,
To count the many ways that...

Life, is good,
Even when things aren't goin quite the Way we know
they should,
Knock, on wood,
Life is good!

Things aint bad if your livin' and Breathin',
No, things aint bad if your learnin' and Teachin'
(teachin' x3)

And...

Life (life), is good,
Even when things aren't goin quite the Way we know
they should,

Knock, on wood,
Life is good!

Life, is good,
Even when things aren't goin quite the Way we know
they should,
Knock, on wood,
Life is good!

Ya life is good!
