I guess we said it all when we said goodbye  
Everything that needed saying—we must have said it  
then  
I wondered what I'd do if our paths ever crossed  
Last night it happened--there you were again  
I didn't know what to say  
So...

Chorus

I said nothing  
I just stood there for awhile  
No words came into my mind  
I was tongue-tied as I watched you walk away  
So I said nothing

I hope we find that place where everything's OK  
Might take a little while but it's the best for you and me  
First step to moving on is learning to forgive  
Second step is letting go—that's how it ought to be  
I guess I ain't there yet  
Cause...

Chorus

Bridge

Better than something I know that I'll regret  
Some things are better left unsaid  
So...
