Is it friday yet
Is the weekend here
Is it time for me to kick things off with a ice cold beer
Been working so dang hard
That I forget
Is it Friday yet

8 o'clock Monday morning all I think about is when the
day will end
Got to make a living some how
That's the way it is for me and all my friends
Watch the hours pass
Every day I ask

Is it Friday yet
Is the weekend here
Is it time for me to kick things off with a ice cold beer
Been working so dang hard
That I forget
Is it Friday yet

That boss of mine he drives me crazy
Maybe he's just thinking 'bout the weekend too
He'd probably love to be invited
Hangout with our rowdy crowd and act a fool
When we're off the clock
We'll pop a top

Is it Friday yet
Is the weekend here
Is it time for me to kick things off with a ice cold beer
Been working so dang hard
That I forget
Is it Friday yet

The days go slow and I would like to know

Is it Friday yet
Is the weekend here
Is it time for me to kick things off with a ice cold beer
Been working so dang hard

That I forget
Is it Friday yet

Is the weekend here
Is it time for me to kick things off with a ice cold beer
Been working so dang hard
That I forget
Is it Friday yet

Been working so dang hard that I forget
Is it Friday yet
