Hey everybody, let's have some fun
You only live once and when you're dead you're done
So let the good times roll, let the good times roll
Don't care if you are young or old
Get together and let the good times roll

Don't sit there mumblin', talking trash if you wanna
have a ball
You'd better go out and spend some cash
And let the good time roll, let the good time roll
Don't care if you young or old
Get together and let the good times roll

Let the good times roll, let the roll, roll, roll
I don't care if you are young or old
Better get together and let the good times roll

Hey y'all tell everybody that Johnny's in town
I got a dollar and a quarter and I'm just raring to clown
Don't let nobody play me cheap
I got fifty cents to know that I'm gonna keep

So, let the good times roll, let the good times roll
I don't care if you young or old
Better get together and let the good times roll

No matter whether it's rainy weather
Birds of a feather gotta stick together
So get yourself under control, get yourself under
control
Go out and get together and let the good times roll

Let the good times roll, let the good times roll
I don't care if you young or old
Get together and let the good times roll

No matter whether it's rainy weather
Birds of a feather gotta stick together
So get yourself under control
Go out and get together and let the good times roll
