Pardon me if I'm leaving in a hurry  
Can't you see  
There's too much to lose for me to stay around

I've played your game obeyed your rules  
The best that I know how  
Gonna get out while the game don't get me down

It's been a long long day and now it's gone gone  
I won't see you again before dawn  
There's too much to lose for me to stay around  
So I'll just cash in the chips and leave this town

Pardon me if I don't turn back or even say goodbye  
I surely have enjoyed your cup of tea  
Got no more time to gamble on a thing that ain't too  
sure  
And the dust-cloud on the edge on town is me

If you ever feel that you should want to get in touch  
somehow  
Forget it - that's all in yesterday.  
Forgiving is to lovers as trusting is to fools  
And of losing there is nothing I can say

It's been a long long day and now it's gone gone  
I won't see you again before dawn  
There's too much to lose for me to stay around  
So I'll just cash in the chips and leave this town

It's been a long long day and now it's gone gone  
I won't see you again before dawn  
There's too much to loose for me to stay around  
So I'll just cash in the chips and leave this town

Well I'll just cash in the chips and leave this town
