Come to the door my pretty one  
Put on your rings and precious things  
Hide all your tears as best you can  
Try to recall what used to be  
Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Bells in steeple are ringing, singing  
Listen to them talk about your love's return

Let me come in my pretty one  
And try to undo what I have done  
For I must be forgiven now  
I will not lose what I have won

Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Leaves in the garden are falling, calling  
Listen to them talk about your love's return

Open the door my pretty one  
Wake from your sleep and take me home  
Open your eyes and look my way  
I cannot leave your love alone

Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Bells in steeple are ringing, singing  
Listen to them talk about your love's return
