'Cause it's a bittersweet symphony, this life Trying to make ends meet You're a slave to money then you die I'll take you down the only road I've ever been down You know the one that takes you to the places Where all the veins meet yeah

No change, I can't change I can't change, I can't change But I'm here in my mind I am here in my mind But I'm a million different people From one day to the next I can't change my mind away)

Well I never pray But tonight I'm on my knees yeah I need to hear some sounds that recognize the pain in Me, yeah I let the melody shine, let it cleanse my mind, I feel Free now But the airways are clean and there's nobody singing to Me now

No change, I can't change I can't change, I can't change But I'm here in my mind I am here in my mind And I'm a million different people From one day to the next I can't change my mind No, no, no, no, no, no, no I can't change I can't change it

'Cause it's a bittersweet symphony, this life Trying to make ends meet Trying to find some money then you die

I'll take you down the only road I've ever been down You know the one that takes you to the places Where all the veins meet yeah

You know I can't change, I can't change I can't change, I can't change But I'm here in my mind I am here in my mind And I'm a million different people From one day to the next I can't change my mind No, no, no, no, no

I can't change my mind No, no, no, no, no, I can't change Can't change my body, No, no, no

I'll take you down the only road I've ever been down I'll take you down the only road I've ever been down Been down Ever been down Ever been down Ever been down Ever been down That you've ever been down That you've ever been down
