Hey, I'm sorry I wasn't there
But I never lied it's a shame
That you don't believe I care
& neither do I

Baby you can take your time
& maybe tomorrow you can change your mind
I got my friends
I got a bottle of wine
& I'm feeling fine

I don't miss you now
I don't miss you at all

Time, it's pulling us different ways
It's starting to show I'm afraid
That you don't believe I'll stay
So I gotta go

Baby, you can take your time

& maybe tomorrow you can change your mind
I got some pills
I got a bottle of wine
& I'm feeling fine

I don't miss you now
I don't miss you at all

Baby, you can take your time
& maybe tomorrow if the sun don't shine
I'm gonna walk around until I find
Somebody to treat me
To treat me kind

You can take your time
You can change your mind
Change your mind

I don't miss you now
I don't miss you at all
