i will wait forever  
waiting for the day  
wait until the moment comes  
when i hear you say  
that you'll be mine forever  
or until our dying day  
there's nothing that can stop me now  
from acting in this way

she tries so hard  
but she just couldn't show it  
show it all to me  
she tries so hard i believe she can do it  
she does it all for me

and i've waited a long time  
waiting just to hear her say  
she's going to be mine

she tried so hard  
but she just couldn't show it  
show it off to me  
she tries so hard i believe she can do it  
she does it all for me
