"Somewhere"

Somewhere my true love is waiting for me
I'm asking you sweet lord show her to me
Is she high on a mountain,
Or climbing a tree?
I'm begging you Jesus to bring her to me.

Hey pretty lady I wrote you this song
I'll teach you the words maybe you'll sing along
It's quite easy to learn,
Just repeat after me

"I'll love you forever cause you set me free"

Somewhere my true love is dreaming of me
I'm asking you sweet lord to share her with me
Is she way up in heaven,
Or drown in the sea?
I'll love her forever that girl in my dreams
I will love her for ever that girl of my dreams
