that boy who made you low  
that boy don't even know  
the boy caused you pain  
that boys got shit for brains

had to let you know  
i really don't even  
know what i know  
your my sunshine  
your my sunshine

sad girl,don't lose your faith  
your tears are pretty dimonds  
i'll kiss them off your face  
i love to see you smiling

had to let you know  
i had to let you know  
your my sunshine

just when you thought  
that there couldn't be more  
i can turn out the lights  
and i'll show you it all  
i can take you to heaven before the sun comes up  
it's the way that you smile  
when your talking to me  
when i lost all my faith  
you just made me believe  
and i'll tell you all about it  
yeah  
get up closer to me

cause i feel like i've been spinning round and round.
