

Gordon Lightfoot "Beautiful"

Visit "[Beautiful](#)" on MotoLyrics.com

At times I just don't know
How you could be anything but beautiful
I think that I was made for you
And you were made for me

And I know that I won't ever change
We've been friends through rain or shine
For such a long, long time

Laughing eyes and smiling face
It seems so lucky just to have the right
Telling you with all my might
You're beautiful tonight

And I know that you won't ever stray
'Cause you've been that way from day to day
For such a long, long time

And when you hold me tight
How could life be anything but beautiful
I think that I was made for you
And you were made for me

And I know that I won't ever change
We've been friends through rain or shine
For such a long, long time

Well, I must say it means so much to me
To be the one who's telling you
I'm telling you, that you're beautiful
