Come on, Pearl, come on, Kitty  
If you feel inclined  
Down around the bend in the water  
Bring your fishin' line

Come on, Pearl, I'm rough and ready  
Got my fishin' pole  
Down around the bend in the water  
To the fishin' hole

It's a fine July on a beautiful night  
With a heavenly sky and moonlight on the bay

Down around the bend in the water  
If you feel inclined  
Come on, Pearl, come on, Kitty  
I'm gonna make you mine

All around the world tonight  
What a beautiful scene below  
To find a time to stand in line  
I'm gonna take my love to go  
It's a fine July and a beautiful way  
For a boy and a girl to pass the time of day

Come on, Pearl, come on, Kitty  
If you feel inclined  
Down around the bend in the water  
Bring your fishin' line

All around the world tonight  
What a beautiful scene below  
To find a time to stand in line  
I'm gonna take my love to go  
It's a fine July on a beautiful light  
With a heavenly sky and moonlight on the bay

Down around the bend in the water  
If you feel inclined  
Come on, Pearl, come on, Kitty  
Bring your fishin' line

Come on, Pearl, I'm rough and ready  
Got my fishin' pole  
Down around the bend in the water  
To the fishin' hole
