Harmony, oh harmony
Where are you tonight, where are you tonight?
Harmony, oh harmony
Have you gone away, have you gone to stay?
If you pass me by I will miss you
And if you c'n cry I c'n cry too

Harmony, oh harmonee
Where are you tonight, where are you tonight?
Harmony, sweet harmonee
Have you gone astray, have you gone away?
If you'd ask me why I will miss you
It's part of my nature I guess
Oh harmony, sweet harmonee
Oh where have you gone, Harmony

Harmony, oh harmony
Where are you now, where are you right now?
Harmony, oh harmonee
Oh where have you gone, the hours are so long?
If you pass me by I will miss you
And if you c'n cry I c'n cry too

Harmony, oh harmonee
I'm holding on tight, do you read me write
Harmony, oh harmonee
Don't ever let go, don't ever let go
If you'd ask me why I will miss you
It's a part of my nature I guess
Oh harmony, sweet harmonee
Oh what have we done, Harmony

If you pass me by I will miss you
And if you c'n cry I c'n cry too

Harmony, sweet harmony
Oh where have you gone, what have we done
Where have you gone, Harmony
