Remember me, I'm the one who hurt you, dear
Hurt you, hurt you, dear
Remember me, I'm the one who loved you, dear
Loved you, loved you, dear

I'm the one who ran away
And left you all alone
I'm the one who broke your heart
And scorned the love I'd known

Remember me, I'm the one who's sorry now
Sorry, sorry now

I'm the one who ran away
And left you all alone
I'm the one who broke your heart
And scorned the love I'd known

Remember me, I'm the one who's sorry now
Sorry, sorry, dear
