He came down through fields of green  
On the summer side of life  
His love was ripe  
There was no illusions  
On the summer side of life  
Only tenderness

And if you saw him now  
You'd wonder why he would cry  
A whole day long

There was young girls everywhere  
On the summer side of life  
They talked all night  
To the young men that they knew  
On the summer side of life  
Goin' off to fight

And if you saw them now  
You'd wonder why they would cry  
A whole day long

He came down through field of green  
On the summer side of life  
He prayed all night  
Then he walked into a house  
Where love had been misplaced  
His chance to waste

And if you saw him now  
You'd wonder why he would cry  
A whole day long

And if you saw him now  
You'd wonder why

And if you saw him now  
You'd wonder why

And if you saw him now  
You'd wonder why
