It's muddy waters  
And cold mornings too  
Still my best dreams  
For me and for you  
Sunlight in my window  
Stretching out so far  
May I always see you as you are.

Coming my way  
Coming my way  
Coming my way on this miserable day

Sleepless eyes  
Have been cauterized  
But you gotta feel to heal  
Deep down inside  
It's just feathers and crumbs  
When you're out on the run  
You gotta hear the song  
When it is sung

Coming my way  
Coming my way  
Coming my way on this miserable day

I'm on my way  
I'm on my way  
I'm traveling my time  
You'd be fine  
Anytime I see you coming my way  
Coming my way  
Coming my way  
Coming my way on this miserable day

I'm on my way  
I'm on my way  
I can't waste no more time  
You'd be fine  
Anytime I see you coming my way  
Coming my way  
Coming my way  
Coming my way on this miserable day
